MEMORANDUM FOR: Chief, Geography Division, Office of Basic Intelligence

SUBJECT: DD/OBI Contact [REDACTED]

25X1X7

25X1X7

1. As you know, I plan to be in [REDACTED] for a day or two in early May. The objective of the contact is to discuss things geographic and cartographic.

2. I would appreciate your having prepared for me an agenda of topics your personnel want covered. For each item, a brief statement should be prepared giving the "core" of the topic and/or problem and the OD/OBI person concerned. Prior to leaving in mid-April, I would plan to discuss orally the items with each person in more detail.

3. In like manner, if a trip to [REDACTED] would be desirable, I probably could arrange it with [REDACTED] whom I plan to see in any case. 25X1X7 25X1X7

4. While in Amsterdam at the ICA meetings, I might be able to assist [REDACTED]. Please have a short requirement prepared on this.
